# camaka ghana – English phonetic

**Version 1.0** **February 28,2026**

**Notes:**
This is the first version Version 1.0 in English and corresponds to Sanskrit version 2.0 dt 30th Nov 2025.
Corrections additionally done in Sanskrit versions in future should be incorporated by the Student with respect to correction files from Sanskrit.
This compilation uses the English letters with **Sanskrit Baraha letter codes** for **Vedic symbols.** This will not be readable in word form unless the user owns baraha software. So we are releasing it in PDF form only.
**~g stands for nasal of k varga. ~j stands for nasal of ca varga.**
